It has been brought to our attention that this document, issued on 2016-12-21, requires modification.

The European foreword is updated accordingly with the following paragraph:

"For the purposes of global relevance, the requirements of all clauses referring to ISO/TS 3691-7 have been transferred and published as European Standard EN 16307-3, Industrial trucks — Safety requirements and verification — Part 3: Supplementary requirements for trucks with elevating operator position and trucks specifically designed to travel with elevated loads"

Please find enclosed the updated English and French versions.
