

AS/NZS 4327:1995

Reconfirmed 2020

Australian/New Zealand Standard

**Metal-banded flexible couplings
for low-pressure applications**

AS/NZS 4327:1995

This Joint Australian/New Zealand Standard was prepared by Joint Technical Committee WS/10, Flexible Jointing Gaskets. It was approved on behalf of the Council of Standards Australia on 20 June 1995 and on behalf of the Council of Standards New Zealand on 7 August 1995. It was published on 5 September 1995.

The following interests are represented on Committee WS/10:

Australian Chamber of Commerce and Industry
Brisbane City Council
Concrete Pipe Association of Australia
Master Plumbers Association of Queensland
Metal Trades Industry Association of Australia
New Zealand Contractors Federation
Plastics and Rubber Institute (Australia)
The Plastics and Chemical Industry Association (Australia)
Rubber Manufacturers Association of Australasia
South Australian Water Corporation
Sydney Water
Water Industry Technical Standards

Review of Standards. To keep abreast of progress in industry, Joint Australian/New Zealand Standards are subject to periodic review and are kept up to date by the issue of amendments or new editions as necessary. It is important therefore that Standards users ensure that they are in possession of the latest edition, and any amendments thereto.

Full details of all Joint Standards and related publications will be found in the Standards Australia and Standards New Zealand Catalogue of Publications; this information is supplemented each month by the magazines 'The Australian Standard' and 'Standards New Zealand', which subscribing members receive, and which give details of new publications, new editions and amendments, and of withdrawn Standards.

Suggestions for improvements to Joint Standards, addressed to the head office of either Standards Australia or Standards New Zealand, are welcomed. Notification of any inaccuracy or ambiguity found in a Joint Australian/New Zealand Standard should be made without delay in order that the matter may be investigated and appropriate action taken.
