The following scientific, industrial and governmental organizations and departments were officially represented on the committee entrusted with the preparation of this standard:

CSIRO, Division of Horticultural Research

Department of Agriculture, N.S.W.

Department of Agriculture, Victoria

Health Commission of Victoria

National Association of Australian State Road Authorities

National Farmers Federation

Plastics Institute of Australia Incorporated

This standard, prepared by Committee PL/26, Perforated Plastics Pipe, was approved on behalf of the Council of the Standards Association of Australia on 13 November 1980, and was published on 1 May 1981.

Review of Australian Standards. *To keep abreast of progress in industry, Australian Standards are subject to periodic review and are kept up to date by the issue of amendments or new editions as necessary. It is important therefore that Standards users ensure that they are in possession of the latest edition, and any amendments thereto.*

Full details of all Australian Standards and related publications will be found in the Standards Australia Catalogue of Publications; this information is supplemented each month by the magazine 'The Australian Standard', which subscribing members receive, and which gives details of new publications, new editions and amendments, and of withdrawn Standards.

Suggestions for improvements to Australian Standards, addressed to the head office of Standards Australia, are welcomed. Notification of any inaccuracy or ambiguity found in an Australian Standard should be made without delay in order that the matter may be investigated and appropriate action taken.

This Standard was issued in draft form for public review as DR 79094.
