Australian Standard™

Measurement of water flow in open channels

Part 3.3: Velocity-area methods— Measurement by slope-area method

[ISO title: Liquid flow measurement in open channels—Slope-area method]

Standards Australia

This Australian Standard was prepared by Committee CE-024, Measurement of Water Flow in Open Channels and Closed Conduits. It was approved on behalf of the Council of Standards Australia on 25 September 2000 and published on 12 March 2001.

The following interests are represented on Committee CE-024:

Australian Water and Wastewater Association
Department of Natural Resources, Qld
Institute of Instrumentation and Control Australia
Department of Land and Water Conservation, New South Wales
Department of Public Works and Services, New South Wales
South Australian Water Corporation
Sydney Water Corporation
University of New South Wales
University of Adelaide
University of Technology, Sydney

Keeping Standards up-to-date

Standards are living documents which reflect progress in science, technology and systems. To maintain their currency, all Standards are periodically reviewed, and new editions are published. Between editions, amendments may be issued. Standards may also be withdrawn. It is important that readers assure themselves they are using a current Standard, which should include any amendments which may have been published since the Standard was purchased.

Detailed information about Standards can be found by visiting the Standards Australia web site at www.standards.com.au and looking up the relevant Standard in the on-line catalogue.

Alternatively, the printed Catalogue provides information current at 1 January each year, and the monthly magazine, *The Australian Standard*, has a full listing of revisions and amendments published each month.

We also welcome suggestions for improvement in our Standards, and especially encourage readers to notify us immediately of any apparent inaccuracies or ambiguities. Contact us via email at mail@standards.com.au, or write to the Chief Executive, Standards Australia International Ltd, GPO Box 5420, Sydney, NSW 2001.
