EUROPÄISCHE NORM

ICS 25.140.00

Descriptors: sawing machines (tools), portable equipment, heat engines, safety of machines, accident prevention, hazards, safety measures, dimensions, design, equipment specifications, acoustic measurement, verification, technical notices, marking

English version

PORTABLE, HAND-HELD, INTERNAL COMBUSTION CUTTING-OFF MACHINES

SAFETY

Tronçonneuses à disque, portatives,
à moteur thermique - Sécurité

Tragbare, handgeführte Trennschleifmaschinen
mit Verbrennungsmotor - Sicherheit

This European Standard was approved by CEN on ... CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This European Standard has been prepared by Technical Committee CEN/TC 151 "Construction equipment and building material machines - Safety", the secretariat of which is held by DIN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by February 1998, and conflicting national standards shall be withdrawn at the latest by February 1998.

This European Standard has been prepared under a mandate given to CEN by the European Commission and the European Free Trade Association, and supports essential requirements of EU Directive(s).

For relationship with EU Directive(s), see informative Annex ZA, which is an integral part of this standard.

The Annex A is normative and contains "Method of noise measurement", the Annex B is normative and contains "Method of vibration measurement", the Annex C is normative and contains "Verification of the safety requirements" and the Annex D is informative and contains "Symbols".

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.
