ENTITLED

FINGER JOINTED STRUCTURAL TIMBER - PERFORMANCE REQUIREMENTS AND
MINIMUM PRODUCTION REQUIREMENTS

AS

THE IRISH STANDARD SPECIFICATION FOR

FINGER JOINTED STRUCTURAL TIMBER - PERFORMANCE REQUIREMENTS AND
MINIMUM PRODUCTION REQUIREMENTS

NSAI in exercise of the power conferred by section 16 (3) of the National Standards Authority of Ireland Act, 1996 (No. 28 of 1996) and with the consent of the Minister for Enterprise, Trade and Employment, hereby declares as follows:

1. This instrument may be cited as the Standard Specification (Finger jointed structural timber - Performance requirements and minimum production requirements) Declaration, 1995.
2. (1) The Specification set forth in the schedule to this declaration is hereby declared to be the standard specification for Finger jointed structural timber - Performance requirements and minimum production requirements. The Schedule comprises the text of EN 385:1995.
(2) The said standard specification may be cited as Irish Standard EN 385:1995 or as I.S. EN 385:1995.

NORME EUROPÉENNE

EUROPÄISCHE NORM

February 1995

ICS 79.040

Descriptors: wood, structural timber, sawn timber, coniferous timber, butt joints, adhesive bonded joints, manufacturing, machining, bend tests, classifications, marking

English version

**Finger jointed structural timber - Performance
requirements and minimum production
requirements**

Aboutages à entures multiples dans les bois de
construction - Prescriptions de performance et
prescriptions minimales de fabrication

Keilzinkenverbindungen in Bauholz - Leistungs-
und Mindestanforderungen an die Herstellung

This European Standard was approved by CEN on 1995-02-22. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
