EOLAS - The Irish Science and Technology Agency in exercise of the power conferred by section 20 (5) of the Industrial Research and Standards Act, 1961 ( No. 20 of 1961 ) and the Science and Technology Act, 1987 (No. 30 of 1987), and with the consent of the Minister for Enterprise and Employment, hereby declares as follows:

1. This instrument may be cited as the Standard Specification (Fixed RF Wound Inductors (Generic Specification)) Declaration, 1993.

2. (1) The Specification set forth in the Schedule to this declaration is hereby declared to be the standard specification for Fixed RF Wound Inductors (Generic Specification). The Schedule comprises the text of EN 129000 : 1993.

(2) The said standard specification may be cited as Irish Standard/EN 129000:1993 or as I.S./EN 129000:1993.

3. (1) The Standard Specification (Fixed RF Wound Inductors (Generic Specification)) Declaration, 1993, is hereby revoked.

(2) Reference in any other standard specification to the Instrument hereby revoked and to Irish Standard/CECC 29000:1993 (CECC 29000:1992) thereby prescribed, shall be construed, respectively, as reference to this Instrument and to Irish Standard/CECC 129000:1993.

UDC

**Supersedes CECC 29 000 Issue 1 : 1992**

Descriptors: Quality, electronic components, fixed RF wound inductors

English version

**Generic Specification:**  
**Fixed RF Wound Inductors**

**Spécification générique:**  
**Inducteurs bobinés fixes pour**  
**fréquence radioélectrique**

**Fachgrundspezifikation:**  
**Festspulen für HF-Anwendungen**

This European Standard was approved by the CENELEC Electronic Components Committee (CECC) on 19 June 1993. CENELEC members are bound to comply with CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the General Secretariat of the CECC or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the CECC General Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and United Kingdom. The membership of the CECC is identical, with the exception of the national electrotechnical committees of Greece, Iceland and Luxembourg.
