English version

Safety of machinery - Human physical performance - Part 3:  
Recommended force limits for machinery operation

Sécurité des machines - Performance physique humaine -  
Partie 3: Limites des forces recommandées pour  
l'utilisation de machines

Sicherheit von Maschinen - Menschliche körperliche  
Leistung - Teil 3: Empfohlene Kraftgrenzen bei  
Maschinenbetätigung

This European Standard was approved by CEN on 8 November 2001.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
