English version

**Railway applications -  
Railway rolling stock cables having special fire performance -  
Standard wall  
Part 3: Multicore cables**

Applications ferroviaires -  
Câbles pour matériel roulant ferroviaire  
ayant des performances particulières  
de comportement au feu -  
Câbles à isolation d'épaisseur normale  
Partie 3: Câbles multiconducteurs

Bahnanwendungen -  
Kabel und Leitungen für Schienen-  
fahrzeuge mit verbessertem Verhalten  
im Brandfall -  
Standard Isolierwanddicken  
Teil 3: Mehr- und vieladrige Leitungen

This European Standard was approved by CENELEC on 2002-03-01. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland and United Kingdom.

## Foreword

This European Standard was prepared for Technical Committee CENELEC TC 20 "Electric cables" by Working Group 12 "Railway cables" as part of the overall programme of work in CENELEC TC 9X "Electrical and electronic applications for railways".

The text of the draft was submitted to the formal vote and was approved by CENELEC as EN 50264-3 on 2002-03-01.

The following dates were fixed:

- latest date by which the EN has to be implemented  
at national level by publication of an identical  
national standard or by endorsement (dop) 2003-07-01
- latest date by which the national standards conflicting  
with the EN have to be withdrawn (dow) 2008-07-01

Annexes designated "informative" are given for information only.  
In this standard annex A is informative.
