CWA 14174-2

WORKSHOP

October 2004

AGREEMENT

ICS 35.240.15

Supersedes CWA 14174-2:2004

English version

Financial transactional IC card reader (FINREAD) - Part 2: Functional requirements

This CEN Workshop Agreement has been drafted and approved by a Workshop of representatives of interested parties, the constitution of which is indicated in the foreword of this Workshop Agreement.

The formal process followed by the Workshop in the development of this Workshop Agreement has been endorsed by the National Members of CEN but neither the National Members of CEN nor the CEN Management Centre can be held accountable for the technical content of this CEN Workshop Agreement or possible conflicts with standards or legislation.

This CEN Workshop Agreement can in no way be held as being an official standard developed by CEN and its Members.

This CEN Workshop Agreement is publicly available as a reference document from the CEN Members National Standard Bodies.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

CWA 14174-2:2004 (E)

Foreword

The production of this CWA (CEN Workshop Agreement) specifying a financial transactional IC card reader (FINREAD) was formally accepted at the FINREAD Workshop's kick-off meeting on 1999-09-08 and published on 2001.

This revised document was approved as CWA at a meeting of the WS-FINREAD participants on 2003-10-30, after a final review/endorsement round. The final text was submitted to CEN for publication on 2003-11-10.

This revised version (mainly editorial changes and lay-out issues) was submitted to CEN for publication on 2004-06-14.

This document supersedes CWA 14174-2:2004.

The document has been developed through the collaboration of a number of contributing partners in WS-FINREAD, representing smart card interests as well as financial services.

This CWA has received the support of representatives of each of these sectors. A list of company experts who have supported the document's contents may be obtained from the CEN/ISSS Secretariat.

This CEN Workshop Agreement is publicly available as a reference document from the National Members of CEN: AENOR, AFNOR, BSI, CSNI, CYS, DIN, DS, ELOT, EVS, IBN, IPQ, IST, LVS, LST, MSA, MSZT, NEN, NSAI, ON, PKN, SEE, SIS, SIST, SFS, SN, SNV, SUTN and UNI.

Comments or suggestions from the users of the CEN Workshop Agreement are welcome and should be addressed to the CEN Management Centre.

This CWA consists of the following parts, under the general title Financial transactional IC card reader (FINREAD):

- *Part 1 : Business requirements*
- *Part 2 : Functional requirements*
- *Part 3 : Security requirements*
- *Part 4 : Architectural overview*
- *Part 5 : Download file format*
- *Part 6 : Definition of the virtual machine*
- *Part 7 : FINREAD card reader application programming interfaces (APIs)*
- *Part 8 : FINREAD client application programming interfaces (APIs)*
