AS

THE IRISH STANDARD SPECIFICATION FOR

SECTIONAL SPECIFICATION: RECTANGULAR CONNECTORS FOR FREQUENCIES  
BELOW 3 MHZ

---

NSAI in exercise of the power conferred by section 16 (5) of the National Standards Authority of Ireland Act, 1996 ( No. 28 of 1996 ) and with the consent of the Minister for Enterprise, Trade and Employment, hereby declares as follows:

1. This instrument may be cited as the Standard Specification (Sectional specification: Rectangular connectors for frequencies below 3 MHz) Declaration, 1998.

2. (1) The Specification set forth in the Schedule to this declaration is hereby declared to be the standard specification for Sectional specification: Rectangular connectors for frequencies below 3 MHz. Schedule comprises the text of EN 175300:1996.

(2) The said standard specification may be cited as Irish Standard EN 175300 :1998 or as I.S. EN 175300:1998.

3. (1) The Standard Specification (Rectangular Connectors for Frequencies below 3 MHz (Sectional Specification)) Declaration, 1994 is hereby revoked.

(2) Reference in any other standard specification to the Instrument hereby revoked and to Irish Standard/EN 175300:1994 thereby prescribed, shall be construed, respectively, as references to this Instrument and to Irish Standard/EN 175300:1998.

EUROPEAN STANDARD  
NORME EUROPÉENNE  
EUROPÄISCHE NORM

**EN 175300**

April 1996

Descriptors: Quality, electronic components, connectors

Supersedes EN 175300:1992

English version

**Sectional Specification:  
Rectangular connectors for frequencies below 3 MHz**

Spécification intermédiaire:  
Connecteurs rectangulaires pour  
fréquences inférieures à 3 MHz

Rahmenspezifikation:  
Rechteckige Steckverbinder für  
Frequenzen unter 3 MHz

This European Standard was approved by CENELEC on 1995-09-08. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

### Foreword

This European Standard was prepared by Working Group CLC/TC CECC/SC 48B (former WG 25).

It is based, wherever possible, on the Publications of the International Electrotechnical Commission and in particular on IEC 807-1: Rectangular connectors for frequencies below 3 MHz, Part 1: General requirements and guide for the preparation of detail specifications.

The text of the draft based on document CECC(Secretariat)3556 was submitted to the formal vote; together with the voting report, circulated as document CECC(Secretariat)3666, it was approved as EN 175300 on 1995-09-08.

This European Standard replaces EN 175300:1992.

The following dates were fixed:

- latest date by which the EN has to be implemented  
at national level by publication of an identical  
national standard or by endorsement (dop) 1996-09-15
- latest date by which the national standards conflicting  
with the EN have to be withdrawn (dow) 1997-09-15

NOTE. This specification does not comply completely with the requirements of CECC 00 400.
