Foreword

This document (EN 1409:2008) has been prepared by Technical Committee CEN/TC164 "Water supply", the secretariat of which is held by AFNOR.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by July 2008, and conflicting national standards shall be withdrawn at the latest by July 2008.

- (b) introduction of a limit for 3-monochloropropane-1,2-diol (3-MCPD) in 4.3;
- (c) reduction of the limit value for epichlorohydrin in 4.4;
- (d) modification of the test method for epichlorohydrin, dichloropropanol isomers and 3-MCPD;
- (e) updating of the reference to the drinking water directive from 80/778/EEC to 98/83/EC.
