EN 764-7:2002/AC:2006 (E/F/D)

English version

In the Scope:

The NOTE at the end of the clause should be corrected to read:

The scope of this standard and its relationship to the safety accessories and other protective devices described in the Pressure Equipment Directive are shown in annex E.

In the Annex ZA

The following sentences have to be deleted:

“The following clauses of this standard are likely to support requirements of Directive 97/23/EC.”

“Compliance with the clause of this standard provides one means of conforming to the specific essential requirements of the Directive concerned and associated EFTA regulations.”

The following sentence has to be added:

“The following clauses of this standard provide one means of conforming to the specific essential requirements of the Directive concerned and associated EFTA regulations.”

Version française

Dans le domaine d'application

La NOTE à la fin de l'article doit être modifiée comme suit:

NOTE Le domaine d'application de la présente norme et ses relations avec les accessoires de sécurité et les autres dispositifs de protection de la directive équipements sous pression sont indiqués en annexe E.

Dans l'Annexe ZA

La phrase suivante doit être supprimée:

“Les articles suivants de la présente norme sont destinés à venir à l'appui des exigences de la Directive 97/23/CE.”

Deutsche Fassung

Im Anwendungsbereich

Die ANMERKUNG am Ende des Abschnittes ist wie folgt zu korrigieren:

ANMERKUNG Der Anwendungsbereich der vorliegenden Norm, bezogen auf die in der Druckgeräte-Richtlinie beschriebenen Ausrüstungsteile mit Sicherheitsfunktion und weitere Einrichtungen mit Schutzfunktion ist in Anhang E dargestellt.

Im Anhang ZA

Der folgende Satz ist zu streichen:

Die folgenden Abschnitte dieser Norm sind geeignet, Anforderungen der Druckgeräte-Richtlinie 97/23/EU zu unterstützen.

This European Standard was approved by CEN on 29 April 2002.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
