DECLARATION

OF

SPECIFICATION

ENTITLED

AVALANCHE BEACONS – TRANSMITTER/RECEIVER SYSTEMS – SAFETY REQUIREMENTS AND TESTING

AS

THE IRISH STANDARD SPECIFICATION FOR

AVALANCHE BEACONS – TRANSMITTER/RECEIVER SYSTEMS – SAFETY REQUIREMENTS AND TESTING

EOLAS - The Irish Science and Technology Agency in exercise of the power conferred by section 20 (3) of the Industrial Research and Standards Act, 1961 (No. 20 of 1961) and the Science and Technology Act, 1987 (No. 30 of 1987), and with the consent of the Minister for Industry and Commerce, hereby declares as follows:

- 1. This instrument may be cited as the Standard Specification (Avalanche Beacons Transmitter/Receiver Systems Safety Requirements and Testing) Declaration, 1992.
- 2. (1) The Specification set forth in the Schedule to this declaration is hereby declared to be the standard specification for Avalanche Beacons Transmitter/Receiver Systems Safety Requirements and Testing. The Schedule comprises the text of EN 282: 1991.
- (2) The said standard specification may be cited as Irish Standard/EN 282 : 1992 or as I.S./EN 282 : 1992.

This European Standard was approved by CEN on 1991-09-16 CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
