This European Standard was approved by CEN on 7 October 2005.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

EN 14766:2005 (E)

Foreword

This European Standard (EN 14766:2005) has been prepared by Technical Committee CEN/TC 333 "Cycles", the secretariat of which is held by UNI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by May 2006, and conflicting national standards shall be withdrawn at the latest by November 2006.

The basis of the European Standard is from a standard being developed for ISO and great care has been taken to ensure compatibility between the two documents.

This European Standard is completely new and is one of a series being produced to cover all types of bicycle:

EN 14764	<i>City and trekking bicycles — Safety requirements and test methods</i>
TC 333 WI 00333002	<i>Cycles - Vocabulary — Terminology (ISO 8090: 1990 Modified)</i>
EN 14765	<i>Bicycles for young children — Safety requirements and test methods</i>
EN 14781	<i>Racing bicycles — Safety requirements and test methods</i>
prEN 14872	<i>Bicycles — Accessories for bicycles — Luggage carriers</i>
prEN 15194	<i>Cycles — Electrically power assisted cycles — EPAC bicycle</i>

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
