Irish Standard  
I.S. EN 771-3:2011

# Specification for masonry units - Part 3: Aggregate concrete masonry units (Dense and lightweight aggregates)

## I.S. EN 771-3:2011

*Incorporating amendments/corrigenda/National Annexes issued since publication:*

The National Standards Authority of Ireland (NSAI) produces the following categories of formal documents:

I.S. xxx: Irish Standard – national specification based on the consensus of an expert panel and subject to public consultation.

S.R. xxx: Standard Recommendation - recommendation based on the consensus of an expert panel and subject to public consultation.

SWIFT xxx: A rapidly developed recommendatory document based on the consensus of the participants of an NSAI workshop.

*This document replaces:*  
EN 771-3:2003

*This document is based on:*  
EN 771-3:2011

*Published:*  
12 May, 2011

This document was published under the authority of the NSAI and comes into effect on:  
12 May, 2011

ICS number:  
91.100.30

## National Foreword

This Irish Standard is the national version of the European Standard EN 771-3 *Specification for masonry units – Part 3: Aggregate concrete masonry units (dense and lightweight aggregates)*. Guidance on the use of this standard has been incorporated into Annex C of S.R. 325:2013+A1:2014 *Recommendations for the use of masonry structures in Ireland to Eurocode 6*.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with an Irish Standard does not of itself confer immunity from legal obligations.**

*This page is intentionally left BLANK.*

English Version

## Specification for masonry units - Part 3: Aggregate concrete masonry units (Dense and lightweight aggregates)

Spécifications pour éléments de maçonnerie - Partie 3:  
Éléments de maçonnerie en béton de granulats (granulats courants et légers)

Festlegungen für Mauersteine - Teil 3: Mauersteine aus Beton (mit dichten und porigen Zuschlägen)

This European Standard was approved by CEN on 10 March 2011.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
