This amendment A1 modifies the European Standard EN 50408:2008; it was approved by CENELEC on 2011-04-25. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this amendment the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This amendment exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.

Foreword

This amendment to the European Standard EN 50408:2008 was prepared by the Technical Committee CENELEC TC 61, Safety of household and similar electrical appliances (cf. document CLC/TC61(SE)0406, discussed during the Brussels meeting of CLC/TC 61 in July 2010).

The text of the draft was submitted to the Unique Acceptance Procedure and was approved by CENELEC as Amendment A1 to EN 50408:2008 on 2011-04-25.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN and CENELEC shall not be held responsible for identifying any or all such patent rights.

The following dates were fixed:

- latest date by which the amendment has to be implemented at national level by publication of an identical national standard or by endorsement (dop) 2012-04-25
 - latest date by which the national standards conflicting with the amendment have to be withdrawn (dow) 2014-04-25
-

Foreword

This European Standard was prepared by CENELEC BTWG 100-1, Cab heaters for vehicles.

The text of the draft was submitted to the formal vote and was approved by CENELEC as EN 50408 on 2008-04-16.

The following dates were fixed:

- latest date by which the EN has to be implemented at national level by publication of an identical national standard or by endorsement (dop) 2009-05-01
- latest date by which the national standards conflicting with the EN have to be withdrawn (dow) 2011-05-01

This European Standard is to be used together with EN 60335-2-30, Household and similar electrical appliances - Safety - Part 2-30: Particular requirements for room heaters. It was established on the basis of EN 60335-2-30:2003, which is to be used together with EN 60335-1:2002. Amendments and revisions of EN 60335-1 and EN 60335-2-30 have also to be taken into account and the dates when such changes become applicable will be stated in the relevant amendment or revision of these standards.

This standard supplements or modifies the corresponding clauses of EN 60335-2-30, so as to convert it into the European Standard: Safety requirements for cab heaters for vehicles.

NOTE 1 The following numbering system is used:

- subclauses, notes, tables and figures that are numbered starting from 101 are additional to those in EN 60335-1;
- subclauses, notes, tables and figures that are additional to those in EN 60335-2-30 are numbered starting from 201 and are prefixed with the letter Z;
- additional annexes to those in EN 60335-2-30 are lettered AAA, BBB, etc.

NOTE 2 The following print types are used:

- requirements: in roman type;
- *test specifications: in italic type;*
- notes: in small roman type.

Words in **bold** in the text are defined in Clause 3. When a definition concerns an adjective, the adjective and the associated noun are also in bold.
