INTRODUCTION

The requirements of this part of HD 60364 supplement, modify or replace certain of the general requirements contained in Parts 1 to 6 of HD 60364/HD 384.

The clause numbering appearing after 702 refers to the corresponding parts or clauses of HD 60364/HD 384, Parts 1 to 6. Therefore, the numbering of clauses does not necessarily follow sequentially. Numbering of figures and tables takes the number of this part followed by a sequential number.

The absence of reference to a part or clause means that the general requirements contained in Parts 1 to 6 of HD 60364/HD 384 are applicable.
