Foreword

The text of the International Standard IEC 890:1987, with its corrigendum March 1988 and its amendment 1:1995, prepared by SC 17D, Low-voltage switchgear and controlgear assemblies, of IEC TC 17, Switchgear and controlgear, was submitted to the formal vote and was approved by CENELEC as HD 528 S2 on 1996-12-09 without any modification.

The following dates were fixed:

- latest date by which the existence of the HD
has to be announced at national level (doa) 1997-06-01
- latest date by which the HD has to be implemented
at national level by publication of a harmonized
national standard or by endorsement (dop) 1997-12-01
- latest date by which the national standards conflicting
with the HD have to be withdrawn (dow) 1997-12-01

Annexes designated "normative" are part of the body of the standard.
Annexes designated "informative" are given for information only.
In this standard, annex ZA is normative and annexes A and B are informative.
Annex ZA has been added by CENELEC.

Endorsement notice

The text of the International Standard IEC 890:1987, with its corrigendum March 1988 and its amendment 1:1995, was approved by CENELEC as a Harmonization Document without any modification.

Annex ZA (normative)**Normative references to international publications
with their corresponding European publications**

This Harmonization document incorporates by dated or undated reference, provisions from other publications. These normative references are cited at the appropriate places in the text and the publications are listed hereafter. For dated references, subsequent amendments to or revisions of any of these publications apply to this Harmonization document only when incorporated in it by amendment or revision. For undated references the latest edition of the publication referred to applies (including amendments).

NOTE: When an international publication has been modified by common modifications, indicated by (mod), the relevant EN/HD applies.
